

To the student

Always start by reading your teachers instructions. Do your best to follow them.

Read, Listen, Speak and Write – work with all of the four language skills if you can.

- There are answers to the exercises in the book. You will find them online. Look under *Chapters*.
- Work both in your book and online.
- Go online, and open *Look and listen*. Listen to all the words and repeat them to yourself. You can record yourself saying the words online in the word exercises called *Pronounce*.
- There are many exercises online. Open *Exercises* in the menu to the left on the start page. There you can see a list of all the exercises to each chapter.
- You can do all the exercises in the list. You can do them as many times as you want. Work with an exercise until you get everything right.
- Do not forget to test yourself by doing the *Check Yourself*-exercises.

Create a log book or a blog in English and tell us about your days, what you do or what you think each day. You can write it down or record it with your mobile.

When you get back to school, you can share your log book or blog with your teacher and your classmates.
