Word Wizards

Objective:

Activating vocabulary and practicing spelling.

Instructions:

Write the word **Christmas Tree** on the board. Give the students 5 minutes to write as many words as possible with the letters in the word **Christmas Tree** for example **tree**, **star**, **the**, **as**, and **here**. Then, put the students into pairs and give them 5-10 minutes to compare their lists and combine their words into a new, shared list, adding any new words they can come up with. Encourage students to discuss and share ideas with each other.

Collect all the words that each pair has written on the board. Pairs earn one point for each word, and two points for any word that no other pair has on their list.

Try the activity again with a different word!

Preparation:

- Provide each student with a blank sheet of paper and a pencil.
